**Statement from our CEO: Dr. Barbara Palmer**

At Kingdom Kare, we believe every individual deserves access to the care, resources, and support they need to pursue their purpose and thrive—no matter their circumstances. For over two decades, our work has been rooted in meeting people where they are while walking alongside them toward where they are called to be. From early childhood education and family support to youth development, violence prevention, and community wellness, our programs are designed to strengthen families, restore hope, and build sustainable pathways to success.

As Founder and CEO, I remain deeply committed to leading Kingdom Kare with integrity, compassion, and accountability. We do not do this work alone—our impact is made possible through strong partnerships with families, community leaders, faith-based institutions, and local and state agencies. Together, we are bridging gaps, breaking cycles, and creating environments where healing, growth, and opportunity are not the exception, but the expectation.

Kingdom Kare is always seeking generous donors to help us continue this important work. Whether your heart is for teen parents, early childhood education, violence interruption, or the community as a whole, we invite you to consider making a donation that will truly change lives. Your support allows us to meet urgent needs today while building stronger, healthier communities for tomorrow.

Thank you for believing in our mission and standing with us as we continue to serve, lead, and transform lives—one family, one community at a time.

**DONATE TODAY**

Regards,  
**DR. Barbara Palmer**  
PRESIDENT & CEO
